

# Instruction I-GEN-XX/2024

Remuneration applicable to cash collateral

**BME CLEARING**

4 March 2024

## General Instruction

Effective Date: 11 March 2024

Replaces: - I-GEN-03/2022

**The Instruction specifies the interest rate to be applied to the remuneration of cash collateral. In addition, the additional spread is specified for Members opting for the non-investment option.**

**It is modified due to the inclusion of USD as eligible collateral.**

This Instruction is published in accordance with the provisions of *the Investment and remuneration of cash collateral* 8 section of the 'Posting of Margins' Circular or the one that replaces it.

Cash remuneration will be calculated daily by applying the interest rate for each currency to the collateral posted in cash by Members with BME CLEARING at the end of each session.

Depending on the currency and segment, the interest rate may be benchmarked to a market rate. In this case, the cash remuneration is calculated by applying the daily market rate minus a spread set by BME CLEARING. Alternatively, BME CLEARING may set absolute interest rates for cash remuneration.

The interest rates applicable to cash collateral are as follows:

Currency	Interest rate	Spread (bps)				
		Financial Derivatives	Fixed Income	Equities	Energy	IRS
EUR	€STR	20	20	20	18	20
USD	FED FUND	60	60	60	60	60

The additional spread to be applied to the cash remuneration for Members who communicate to BME CLEARING their wish for the cash not to be invested will be **5 basis points**. This spread only applies to euro cash collateral and will be in addition to the spread set out in the table.

If a Clearing Member does not wish to invest its euro cash collateral, any new application must be made in accordance with the model in Annex I attached to this Instruction and signed by a person in charge of the entity with sufficient power to represent it.

In the case of a Client or a Non-Clearing Member, the application must also be signed by the Clearing Member.

BME CLEARING will settle this amount on a monthly basis, as set out in the 'Posting of Margins' Circular.
